Parker Poe's tax attorneys have extensive experience with all aspects of federal and state tax controversies and litigation, including audit defense, administrative appeals, trials, and all levels of appellate review. Our breadth of experience allows us to efficiently and effectively navigate the various stages of a tax controversy, culminating in either a final judicial decision or an alternative resolution or settlement.

Parker Poe offers clients the unique and unparalleled advantage of tax attorneys who possess significant experience in substantive tax law and administrative, trial, and appellate litigation. Our tax attorneys have appeared before the United States Supreme Court and include former high-ranking federal and state tax officials. They have litigated complex cases of first impression that established important precedent and received national attention. Our areas of particular focus include federal and state corporate income tax controversies, federal partnership controversies, state sales tax controversies, and federal and state constitutional challenges.
